SAGEBURG AND SIYOUNI FILLIES TOP SECOND DAY

The second day of the eighth edition of the Osarus Yearling Sale at La Teste Racecourse saw Jean-Claude Rouget go to €68,000 for **Lot 146**, the first foal out of Gr.2-placed **Louve Rouge**, writes *Sally Ann Grassick*. This daughter of **Sageburg** was presented by Jedburgh Stud and Haras d'Ellon. Louve Rouge proved her precociousness when second in the Gr.2 Prix Robert Papin at two and Rouget commented afterwards, *"Her dam had quality on the track and this is her first foal. Anything is possible with this filly. I have not bought her for anyone in particular."*

Jedburgh Stud and Haras d'Ellon teamed up again to present **Lot 227**, a daughter of **Siyouni**, who was knocked down to

Deauville-based trainer Stephane Wattel, after seeing off underbidder Tony Forde, for €68,000. Wattel commented: *"I have bought her for John Corbani and his associates. She is a good looking, well bred filly who was everything I was looking for; a little precocious but also a little classy. I like her maternal family a lot, which is that of **Molly Martine**, and I am happy to buy from these vendors who do a good job."* This filly is out of the four-time winner **Shinabaa (Anabaa)**, who is herself a daughter of Listed winner and Gr.3-placed **Shining Molly (Kris)**.

Matt Coleman of Stroud Coleman Bloodstock went to €62,000 for **Lot 152**, a colt from the first crop of **Harbour Watch**. Presented by Haras du Buff, this colt is the first foal out of the winning mare **Make Up (Kyllachy)**, who is herself a half-sister to Listed winner and Gr.2-placed **Hoyam (Royal Applause)**. *"I have bought this colt for the breeze-up sales in the UK next year,"* explained Coleman. *"It was my last bid and he made exactly what I valued him at so I am happy with my purchase. Harbour Watch is producing nice horses and Kyllachy is proving a good broodmare sire. He looks a precocious sort and he has a speed pedigree. I think he is a readymade two-year-old."* The aforementioned Hoyam was a breeze-up purchase at the Tattersalls Craven sale for 55,000gns.

Presented by HSV Agency – Haras de St Vincent, **Lot 195** was bought by Sylvain Vidal for €45,000. This daughter of **Loup Breton** is a half-sister to **Guajaraz (Rashbag)**, a Listed winner in France and Listed-placed in Hong Kong. Vidal said, *"I have bought*

her for Gerard Augustin-Normand. She looks like she has plenty of speed, which is what we are all looking for! She is a well bred filly and there is a lot of speed in her pedigree. I like **Rahy** a lot as a broodmare sire."

Ghislain Bozo of Meridian International went to €42,000 for **Lot 201**, an **Elusive City** filly from La Motteraye consignment. This filly is out of **Resquilleuse (Dehere)**, making her a half-sister to multiple winners including Listed winner **Flash Dance (Zamindar)**. "I have bought her for a partnership involving Frank

Walter and she will go into training with Pia Brandt. I like this family a lot and hopefully it is a page that will continue to improve in the future," explained Bozo.

Lot 254, a colt by **Power**, was bought for €42,000 by trainer Eoghan O'Neill, who was responsible for buying and training the best graduate of this sale to date **Suits You**, winner of this year's Listed Chesham Stakes at Royal Ascot. This colt is a half-brother to two winners and his dam **Touch Of Silk (Night Shift)** is a half-sister to Listed winner and Gr.2-placed **Arabic Song (Alhaarth)**.

Jean-Claude Rouget also purchased **Lot 158**, a **Never On Sunday** colt from Haras de Grandcamp, for €40,000. This colt is the first foal out of the unraced **Masseria (Della Francesca)**, but that did not pose a problem for Rouget for a very good reason; *"I trained both the sire and the dam of this colt so it is a family that I know very well. Masseria was a magnificent filly who unfortunately had a knee problem and never raced. Never On Sunday's first crop are two-year-olds this year and I have a few of them in my yard."*

Local trainer Christophe Ferland went to €40,000 for **Lot 249**, a son of **Vertigineux** from Haras des Granges. Ferland said, *"I train the two-year-old half-sister to this colt **Indecence Choisie [Kendargent]**, but this yearling is an even nicer type than she is. I have bought her for a new partnership between owners Guy Pariente and Gerard Laboureau."* This filly is out of the two-time winner **The Jostler (Dansili)**, who is a daughter of Listed-placed **The Jotter (Night Shift)**.

Lot 258, a daughter of Harbour Watch from the family of Gr.1 Deutsches Derby winner and sire **Wiener Walzer** presented by Haras

du Logis, was knocked down to Haras du Saubouas for €40,000. Paul Basquin explained: *"I like the progeny of Harbour Watch that I have seen so far; they seem precocious. This was one of the best fillies of the day for me. She looks very mature and should make an early two-year-old."*

Emmanuel Viaud of Osarus said at the end of the sale: *"Overall we are pleased with the figures for this sale. We are close to a total aggregate of €4 million. All of the figures have increased from last year apart from the percentage of horses sold."*
