

OSARUS TO STAGE FIRST SALE IN NORMANDY

Osarus has announced the launch of a new mixed sale, which will take place on Friday, 31st January 2014 at Clairefontaine racecourse, just two kilometers from Deauville. This will be the first sale that the company will stage in Normandy. Osarus will aim to offer a catalogue of approximately 120 horses, including broodmares, mares out of training, foals, horses in training, young yearlings and two-year-olds.

Emmanuel Viaud commented, *“We have had quite a few requests over the past couple of years from breeders based in Normandy who wanted us to organise such a sale in their area. We therefore approached Clairefontaine racecourse because of its facilities, which are great for this type of sale. Now that our four other sales are quite well established, we decided to add this sale to our 2014 calendar”*.

The sale will be the first mixed sale of the year in France. The next Osarus sale this year will be staged at Le Lion d'Angers in the West of France and will feature yearlings on the 6th November and stores, horses in training and breeding stock on the 7th.
